PARTNER VALUE

Government, Civic & Community Partnerships

The strongest initiatives are rooted in trusted local relationships and connected to the institutions already serving the community.

*Stronger Communities
Together.*

GOVERNMENT & CIVIC PARTNERS

LISTEN. COLLABORATE. BUILD TOGETHER.

An additional community-engagement channel that helps connect public institutions with residents, nonprofits, businesses, educators, faith communities, veterans, and other stakeholders—while preserving the people, initiatives, and lessons that contribute to a stronger, more resilient community.

Structured listening and engagement opportunities

Surface community priorities, assets, and opportunities

Support initiatives that complement public goals without replacing government responsibility

Preserve the efforts, stories, and leadership of those driving community initiatives

Document feedback, participation, lessons learned, and community outcomes

Local insight and stronger community relationships

Co-created programs and initiatives

Clear impact stories, outcomes, and ESG alignment

Opportunities to activate people, products, services, and facilities

NONPROFIT, FAITH & COMMUNITY PARTNERS

AMPLIFY. COLLABORATE. EXPAND IMPACT.

A collaborative platform that can amplify trusted local work, bring new partners to the table, preserve community knowledge, and mobilize people around shared priorities.

Greater visibility for organizations already doing meaningful work

Access to volunteers, partnerships, and resources

Co-develop initiatives around community priorities

Preserve lived experience, traditions, and local history

Connect listening to action and follow-through
